

Double Width Cable Entry/Exit Faceplate

White faceplate with white brushes

Labgear's 70436W Double Width Cable Entry/Exit Faceplate provides a clean and large-capacity cable management solution. The all-white design and white aperture brushes ensure a discreet and neat cable pass-through, suitable for modern interiors, and allow easy cable installation.

Features

- Double width design accommodates more cables, perfect for complex setups or multiple device connections.
- White aperture brushes offer a sleek appearance and facilitate easy cable installation.
- Facilitates tidy cable management through walls, maintaining an organised and clutter-free environment.
- Ideal for creating a floating TV look or managing cables for wall-mounted devices.
- Comes with dry lining wall fixings for a secure and straightforward installation.
