

15m High-Speed HDMI Cable

With integrated Ethernet

Labgear's 15m High-Speed HDMI Cable ensures a premium connection for longer distances. Perfect for complex setups requiring extended reach, this cable supports 1080p, 3D, and HD TV, with high-quality materials to minimise interference and maximise performance.

Features

- 15m length supports 1080p, 3D, and HD TV, providing versatility for different setups.
- Twin ferrite RFI/EMI filters minimise radio frequency and electromagnetic interference.
- Oxygen-free copper conductors ensure optimum signal conductivity and clarity.
- 24k gold plated connectors resist corrosion and ensure a stable connection.
- Integrated Ethernet channel allows network connectivity through the HDMI link.
- Audio return channel (ARC) supports direct audio transmission from the TV to the sound system.
- Triple shielding minimises signal interference, maintaining signal integrity over longer distances.

| Product Specifications | |
|------------------------|--|
| Bandwidth | 10.2Gbps |
| Resolutions | 4K @ 24Hz, 25Hz, 30Hz, and 1080p @ 60Hz |
| Colour Space | xvYCC, Deep Colour™ |
| Audio Formats | DTS-HD Master Audio, Dolby TrueHD and SA-CD |
| Audio Channels | Up to 8 with audio return channel |
| ARC Support | Yes |
| EMI Tested | Yes |
| Connectors | 24K gold plated |
| Length | 15m |

| Product Information | |
|---------------------------|-----------------------|
| Part Number | HDM 15E |
| EAN | 5050171053997 |
| Units per Pack | 1 |
| Packaging Size | 23 x 8 x 23cm |
| Finished Packaging Weight | 1366g |
| Outer Box Qty | 10 |
| Outer Size | 48 x 25 x 42cm |
| Outer Gross Weight | 14.575kg |
| Outer Net Weight | 14.02kg |
