RJ45 PVC Boot for CAT5E/CAT6

Red - Pack of 5

Discover our RJ45 PVC Boot for CAT5E/CAT6 cables, designed to provide superior protection and durability for your network connections. These boots ensure secure and reliable performance, making them an essential addition to your networking toolkit.

Features

- Protects RJ45 connectors from damage and wear, extending the lifespan of your cables.
- Prevents snagging and reduces the risk of accidental disconnections during installation and maintenance.
- Constructed from high-quality PVC material for enhanced durability and long-lasting performance.
- Easy to install, providing a secure fit over CAT5E and CAT6 cables for a neat and organized setup.
- Enhances cable management by maintaining bend radius, reducing strain on the cables and connectors.
