Single Plug Adaptor with Dual USB Charging

3.1A USB output

Part Number:
90190PI

The SLx Single Plug Adaptor with Dual USB Charging combines a standard UK socket with integrated USB-A and USB-C charging ports, allowing users to power a mains device while simultaneously charging USB-powered devices. Designed for convenience and space-saving installations, it is ideal for smartphones, tablets, and other USB accessories in homes, offices, and travel environments.

Its compact design ensures minimal obstruction of neighbouring sockets, while built-in protection helps keep devices safe during charging.

Key Features

- Ideal for travel and small spaces
- Fast, efficient charging for smartphones, tablets, and other USB devices
- USB-A and USB-C ports for flexible charging options
- Converts a standard UK socket into a dual USB charger
- Keeps your devices safe while charging
